BASS FISHING

with *Mark Menendez*

This class is designed for the bass enthusiast.

From the seasoned tournament angler to the eager beginner, this course will help make YOU catch more

Techniques • Water Temperature • Structure Fishing • Seasonal Patterns

There are few bass fishing professionals on the national scene like Mark Menendez. For certain, each one of the anglers that compete on the sport's greatest stages work to promote the sport and sponsors, but Menendez seems to go the extra mile.

On the water, this 47 year old Paducah, Kentucky angler has spent over 20 years earning a reputation as a warrior on tour. He has amassed career earnings of more than one million dollars. Success in individual events and season long point standings are the testaments to his passion and skill as a tournament angler.

Menendez has won three Bassmaster events and has qualified for the Bassmaster Classic on five occasions. During his career, he has also recorded two Bassmaster records.

He has a degree from Murray State University in fisheries biology. Menendez is devoted to educating interested anglers in the field of bass fishing. Learn the secret of bass fishing from the master!
