

COMMUNITY SCHOLARSHIP PROGRAM

SCHOLARSHIP INFORMATION

Congratulations on your selection as a Community Scholarship Program (CSP) recipient. We look forward to having you as a student at West Kentucky Community and Technical College.

In addition to the general scholarship information provided, **Community Scholarship recipients must be aware of additional criteria** that effect funding.

The first thing you must do is accept your scholarship offer and return the acceptance sheet to the WKCTC Scholarship Office by the stated deadline. **Students are also encouraged to write a thank you note that we can share with the donors of the Community Scholarship Program.** You can return your form and thank you note to the WKCTC Scholarship Office in Financial Aid (Anderson Building).

Your Community Scholarship offer is conditional based upon a final high school GPA of 2.5 or greater. The CSP Program Director will review your final grades and you will be notified of any changes to your funding.

- Your Community Scholarship funding will be renewed for a **second continuous year of study** if you have maintained a 2.50 cumulative GPA at WKCTC upon the completion of the spring semester.
- A student may receive **funding for a maximum of five consecutive semesters, or a maximum of 60 credit hours, whichever occurs first.**
- **Receiving a “W or E”** in a class constitutes as class hours. Hours associated with these classes will be deducted from a student’s 60 total hours of CSP funding available.
- Your Community Scholarship funding **cannot be applied to summer session classes.**
- Students who **filed a CSP appeal** for additional funding due to late enrollment, GPA, etc., **typically do not receive full funding.** Refer to your award letter to determine the percentage of funding. The decisions of the CSP Appeals Committee are final.
- Students who **did not file an appeal** for additional funding due to late enrollment, GPA, etc., **do not receive full funding.** Refer to your award letter to determine the percentage of funding. The decisions of the CSP Appeals Committee are final.
- The Scholarship Office will review your records as indicated by the items above and you will be notified of any changes to your funding.

Community Scholarship recipients are expected to attend the annual Community Scholarship Program reception during the spring semester of 2017. This reception is your chance to say thank you to our generous donors who fund this program. Formal invitations will be mailed. This reception is in addition to the Annual Scholarship Reception that includes all our scholarship recipients and donors. If you received funding from an additional account, you are expected to attend this reception as well.

Please make sure to review the additional scholarship information in this packet as other criteria may apply.

PAYMENT OF SCHOLARSHIPS

The CSP is “last aid applied” meaning that it will cover the remainder of full tuition (WKCTC credits only) and mandatory WKCTC student fees after all financial aid and additional scholarship awards (including KEES) have been applied. This funding cannot be used for required text books, software purchases or program-related fees.

ESTIMATE YOUR CSP PAYMENT

Note: this is for your estimation use only. It does not need to be submitted to the scholarship office.
