KCTCS is an equal opportunity employer and educational institution.

KENTUCKY COMMUNITY & TECHNICAL COLLEGE SYSTEM

Program Coordinator Notes: Students must complete 12 credit hours at West Kentucky Community and Technical College and have completed the national or state apprenticeship program before being awarded 42 credit hours toward the Associate in Applied Science Degree in Apprenticeship Studies. Documentation of completion of a national or state approved program must be submitted when applying for the degree.

*Apprenticeship credit requirement can be met by a combination of apprenticeship credit (APS 201: 20-40 credit hours) and other technical courses as approved by the program coordinator.
