Program Coordinator Notes:

Nursing credit hours are earned by both lecture and laboratory experiences.

One hour of lecture instruction is 50 minutes and equates to one credit hour earned.

Contact hours are defined as the total number of 50-60 minutes hours required for learning experiences.

It is the ultimate responsibility of the student to stay current with the curriculum requirements.

Acceptance into the nursing program is based on a selective admissions process. Progression in the program is contingent upon achievement of a grade of "C" or better in each biological science, nursing and mathematics course and maintenance of a 2.0 cumulative grade point average or better. For more information call 534-3166.

Recommended for RN-BSN transfer: Complete general education blocks for Associate in Science or Arts.

Suggested courses:

- ENG 101 Writing I
- PSY 223 Developmental Psychology
- COM 181 Basic Public Speaking
- HIS 108 History of the United States Through 1865
- HIS 109 History of the United States Since 1865
- SOC 101 Introduction to Sociology
