Program Coordinator Notes:		
*General Education courses (may be taken in any order)		
**Students must be admitted into the PTA Program prior to enrolling in PTA courses.		
***Must be completed with a "C" or higher prior to entering the PTA Program.		
Students are required to obtain CPR certification at levels required for healthcare providers prior to entering the program, and maintain this certification throughout the course of the program.		
Students enrolled in the PTA program must achieve a minimum grade of "C" in each required general education and PTA course to complete the program.		
It is the ultimate responsibility of the student to stay current with curriculum requirements.
