Elementary Education Program Requirements

Continuous assessment procedures will be used to document and systematically monitor student progress through the education program in order to determine the degree to which students have internalized and can demonstrate proficiency in the Kentucky Teacher Standards. The eligibility portfolio will be assessed during the student teaching semester. Check Points are designed to facilitate student progress through the education program, provide students with information for completion of the portfolio at designated stages and serve as a means for making recommendations for improvement or remediation when needed, to be reviewed at the next check point.

REQUIREMENTS FOR ADMISSION TO TEACHER EDUCATION AND STUDENT TEACHING AT MURRAY STATE UNIVERSITY Rev. Fall 2012

Elementary Education Program Requirements

Continuous assessment procedures will be used to document and systematically monitor student progress through the education program in order to determine the degree to which students have internalized and can demonstrate proficiency in the Kentucky Teacher Standards. The eligibility portfolio will be assessed during the student teaching semester. Check Points are designed to facilitate student progress through the education program, provide students with information for completion of the portfolio at designated stages and serve as a means for making recommendations for improvement or remediation when needed, to be reviewed at the next check point.

Teacher Education

1. Attend an admission to teacher education orientation and complete the following:
 - A) Pre-Professional Skills Tests (PPST) Mathematics 174; Reading 176; and Writing 174.
 - B) Have **earned an overall undergraduate GPA of 2.75 on a 4.0 scale at the point of admission**. This 2.75 minimum GPA remains a requirement throughout the teacher certification program.
 - C) Have **completed a minimum of 24 credit hours with a minimum 2.75 GPA to include the following coursework:**
 - (1) ENG 105 with a “B” or higher
 - (2) MAT 117 (or higher level math) with a “B” or higher
 - (3) COM 161 or HON 165 with a “B” or higher
 - (4) EDU 103 or EDU 104 with a “B” or higher
2. Have an **interview with major academic advisor or chair** (or advisor may opt to write a letter of recommendation in lieu of an interview).
3. Complete a review of the Professional Code of Ethics for Kentucky School Personnel and a **Declaration of Eligibility** (pink sheet) signed by the candidate affirming a commitment to upholding the code and acknowledging awareness of information required for state certification. If answers given on the Declaration of Eligibility change during the time of participation in the teacher education program, the Director of Teacher Education Services must be notified immediately.
4. Supply TES with any other required information.

When all the above requirements have been met, the **formal application** (green sheet) can be submitted, accompanied by all required documentation. This includes an official score report for the PPST requirement and a transcript showing all college work to date. Admission will only be granted following a successful review by the Admission to Teacher Education Committee of your college.

NOTE: Students shall not enroll in any educator preparation program courses restricted to admitted candidates. (16 KAR 5:020)

Student Teaching

In order **to be admitted to student teaching**, students must meet these requirements:

- **Gain admission to the Teacher Education Program.**
- File a **formal application with Teacher Education Services** two semesters prior to the term in which student teaching is desired. (Applications are distributed at scheduled student teaching orientations only.)
- Achieve a **minimum 2.75 GPA's in major, areas, professional education, and overall.**
- **Demonstrate teaching ability** in field and clinical situations.
- Completed **200 hours** of field experiences.
- Have **been successfully reviewed** by the Admission to Teacher Education Committee of their college.

In order **to begin student teaching**, students must have senior, irregular, or graduate status and have **completed all major courses and specialty areas** AND have **been admitted to Teacher Education prior to the student teaching interview**. Students must also meet these requirements:

- **Complete all required professional teacher education courses with a minimum 2.75 GPA.**
- File a **valid and current medical examination**, which includes a TB test (to begin student teaching within six months of exam).
- Obtain a **criminal records check.**
- **Maintain a minimum 2.75 in major(s) or area.**
- Supply TES with **any other required information (transcripts, course sub. forms, etc.).**

Examinations Leading to Teacher Certification

By the end of your program, you will need to achieve designated scores required on PRAXIS specialty area tests and the appropriate Principles of Learning and Teaching Test (PLT):

- Praxis Test One: Principles of Learning and Teaching (0622): Score ≥ 160
- Praxis Test Two: Elementary Education Multiple Subjects Exam (5031): This is a group of four, separately timed subtests measuring core content areas. If a student is unsuccessful on any subtest, that subtest may be retaken.
 - Reading/Language Arts (5032): Score ≥ 165
 - Mathematics (5033): Score ≥ 164
 - Social Studies (5034): Score ≥ 155
 - Science (5035): Score ≥ 159
