

# HOWARD FINSTER

Vision House  
Touring Exhibition  
Feb. 23-Mar. 23, 2012

Rev. Howard Finster received a vision from God to spread the gospel by making paintings and sculptures in the basement of his Georgia home. Finster produced more than 40,000 works before his death in 2001. His folk art has been exhibited in numerous museums around the world, including the Smithsonian. Finster's works have appeared on music legends Talking Heads and REM album covers.
