Understanding Financial Aid

Location : ROS 111

Presented by Susan Graves and Geelyn Deering

Financial Aid is a very important aspect of the registration process for students, and without it, many would not be able to afford the costs of receiving an education. That does not change the fact that it's a complex creature with ever-evolving federal regulations, vague acronyms, and complex procedures that make it a difficult process for students. This workshop will take a look into applying for and maintaining Financial Aid, as well as different opportunities that are available to our students. The objective is to provide you with a better overall understanding of Financial Aid.
