

# P is for PADUCAH

... a children's alphabet and art book

**P** is for **PADUCAH**    **S** is for **SYMPHONY**    **O** is for **ORCHESTRA**

The Paducah Symphony is undertaking a new project both as an ongoing fund-raiser and most importantly, as a promotion for our community. P is for Paducah will be a children's alphabet book. Each letter will be represented by an interesting "fact" and illustrated with an original work of art by a local artist. The book will retail for \$20 and be available for the 2012 holiday season.

In order to identify the best trivia for each letter, we plan to sponsor a community-wide "contest" beginning with the March 17th concert and ending at the April 21st concert. Please find the entry form below. Our select committee of experts will determine a winner for each letter. These winners will be recognized in the publication and receive a complimentary copy of the book. Announcement of each letter's "fact" will be made about May 1st.

Each letter of the alphabet may be sponsored for \$250. The donor's name will be on that letter's page. Please contact the PSO office for more information.

### Examples from the "L is for Louisville" book:

**A is for ALI CENTER.**

The mission of the Muhammad Ali Center is to preserve and share the legacy and ideals of Muhammad Ali, to promote respect, hope, and understanding, and to inspire adults and children everywhere to be as great as they can be.

**F is for FALLS OF THE OHIO.**

These 386-million-year-old fossil beds are among the largest naturally-exposed coral beds in the world. Can you imagine that Louisville used to be under the ocean?
