

**SMOKED CHICKEN
FUNDRAISING FOR WEST KENTUCKY COMMUNITY & TECHNICAL COLLEGE
PTA STUDENT TRIP
NATIONAL APTA STUDENT CONCLAVE**

The WKCTC PTA Program is sending students to the American Physical Therapy Association's National Student Conclave in Louisville KY. We are fundraising to assist the students who want to attend the conference. Please help us by purchasing smoked chicken. A half chicken will feed from 2-3 persons for a meal. Just add your fixings to make a meal. We will be using Dr. Block's famous rub which has been entered and placed in the amateur division at BBQ on the River. Use the order sheet below to place your order and help our students attend the conference. PTA and PT programs in other parts of the state have 3 students running for national office. We want to be there to support them.

The ½ smoked chickens will be ready on **Friday 9/6/13 on or after 1:00 pm** in the **Allied Health Building lobby** area. **You can pick up your chickens from 1:00 pm till 3:00 pm.** After that the chicken will be stored in the Allied Health Building faculty refrigerator available for pick up later in the day. You must pre-order and pay for your chicken prior to **9/4/13**.

Order

_____ ½ chicken @ \$5.00 per chicken

_____ Total cost

Cash is accepted and checks should be made out to PJC.

Name _____

Name of an alternative person who will pick up the chicken order.
